

5-Gallon Bug-Out Bucket Emergency Kit

Prepare for the unexpected with a bug-out bucket. This compact, grab-and-go emergency kit fits into a standard 5-gallon bucket.

Materials:

- 5-gallon bucket with lid
- First aid kit
- Flashlight + batteries
- Water pouches or purification tablets
- Non-perishable snacks
- Emergency blanket
- Basic hygiene items

Steps:

1. Start with a clean, dry 5-gallon bucket with a tight lid.
2. Organize emergency items into zip-lock bags.
3. Layer the items with heavier gear on bottom.
4. Label the bucket with contents and date packed.
5. Store in an easily accessible location.
